E-learning Introductory Courses

The following courses have been updated and are available to complete on our training platform:

- Keeping Babies Safe
- Fabricated and Induced Illness and Perplexing Presentations
- * Parental Conflict

We are pleased to announce that **Safeguarding Children: A Multi-Agency Foundation (Introductory)** will be launching shortly. Our team is currently putting the final touches in place, and we hope to make the course available soon. Thank you for bearing with us. This updated course will replace **Introduction to Safeguarding**.

** This course is FREE for staff working in education and early years settings while licences remain available. We encourage you to take advantage of this opportunity and access the course while licences are still available.*

Practitioner Courses

Our Autumn training programme offers a variety of courses between September and December. To help you select the most appropriate training, please read the course description and learning outcomes carefully before booking. Any accompanying resources should also be downloaded and reviewed to support your learning.

Important information

We recognise that many colleagues are experiencing changes within their organisations. If you have moved to a new department or agency, changed line manager, or updated your contact details, please take a moment to review and update your training account to ensure your information remains accurate. If your sector has changed, please contact the training team via DDSCPTraining@derby.gov.uk and we will update this on your behalf.

If you are unable to attend, please cancel your place or email us direct on DDSCPTraining@derby.gov.uk if you would like us to transfer you to a new date.
