

Important Messages

The Privacy Notice has been updated on the [booking system](#). Please take a moment to review it when you next log in before booking on a course.

New dates for 2024

Additional training dates up to the end of July 2024 have been added. Please visit our [booking system](#) to book on a course.

New E-Learning Courses coming soon

There will be some new e-learning courses launching soon. Please visit the e-learning tab on the booking system to view available courses.

Evaluations

Please complete all evaluations. The Stage 2 Post Evaluation provides evidence to measure the impact of your training on outcomes for children and young people.

Update your profile

It is your responsibility to keep your details up to date. An email will be sent to your line manager to confirm your booking, cancellation or non-attendance. Statutory Partners will be informed if staff do not attend training.

Supervision

Remember to discuss your training with your manager to reflect on how you will embed the training into your practice to support better outcomes for children and young people.

Do you enjoy delivering training?

The DDSCP needs the support of experienced practitioners to deliver high quality training courses across the Partnership. Please contact Sarah O'Brien if you are interested in joining our Training Pool and to find out more about how you can support multi-agency training.
